

## R E M A R K S

The claims have been amended by rewriting claim 13, canceling claims 1-12. Claims 13-19 remain in the application. Reconsideration of this application is respectfully requested.

### Allowable Subject Matter

The Examiner indicated that claim 13-19 would be allowable if rewritten in independent form including all of the limitation of the base claim and any intervening claims. Applicants thank the Examiner for the indication of allowable subject matter and have amended the claims accordingly. Claims 13-19, as amended, are now in condition for allowance.

Accordingly, this application is believed to be in proper form for allowance. An early notice thereof is respectfully requested. No amendment made was related to the statutory requirements of patentability unless expressly stated herein; and no amendment made was for the purpose of narrowing the scope of any claim, unless Applicant has argued herein that such amendment was made to distinguish over a particular reference or combination of references.

The Commissioner is hereby authorized to charge Deposit Account 502117, Motorola, Inc, with any fees which may be required in the prosecution of this application.

Respectfully submitted
